Vigorous Styles for Young Men

There is a vast difference between the clothing requirements
of the YOUNG MAN and those of his elders. He likes a certain in-
definable breeze and snap to his apparel that is in keeping with his
vigorous spirits and his pure and unrestricted enjoyment of life.
That we bear these points in mind when serving the younger element
of the trade is the principal cause for our great success among them.
The designers, cutters and tailors of the

CONTINENTAL TAILORING COMPANY, Chicago

for whom we are exclusive representatives in this territory, are con-
stantly studying the requirements of the young man (as we have just
described them), and if you are seeking such service at reasonable
prices, you can do no better than to pay us a visit. We carry their
complete line on display, comprising over 4000 different patterns in
the latest foreign and domestic woolsens.
